<b>Title</b>	Seguridad Privada
<b>Edition</b>	1 <sup>ST</sup> Edition
<b>Area</b>	INTERNATIONAL
<b>Category</b>	MASTER
<b>Level</b>	Level II
<b>Academic Year</b>	2021/2022
<b>Duration</b>	One year, 1500 hours, 60 ECTS
<b>Presentation</b>	<p>The main objective of the Postgraduate Master Course in Private Security is to train you in the theoretical, practical and methodological aspects, giving you all the necessary tools for you to perform in the workplace as a comprehensive and efficient professional.</p> <p>In addition, our main philosophy is that you achieve excellence in training in the different fields of security at a global level, preparing yourself for it in all the challenges that current professions in this area entail.</p>

<p><b>Objectives</b></p>	<p>The Postgraduate Master Course in Private Security is aimed mainly at Security Directors, Security Forces and Bodies, Security Experts, Private Security Professionals and all those interested in this area.</p>
<p><b>Target audience</b></p>	<p>The course aims at providing young graduates, young professionals and passionate about fashion with technical skills in the fashion and luxury industry, in order to develop a strong sensitiveness and knowledge towards fashion, quality and “Made in Italy” branded products, identify new business opportunities and successfully manage creative projects within international environments.</p> <p>This Postgraduate Master course mixes technical knowledge, high quality professionals’ experiences and practical case studies, by enabling students to build their own professional network while studying through high-technological didactic tools.</p>

**Tools**

This Postgraduate Master Course will be delivered online through our didactic platform available 24/7.

The distance learning system shall provide assisted learning along a predetermined educational path, with access to didactic materials specifically developed, with a wide range of interactive individual and group activities, supervised by tutors and experts in the field, able to interact with students and to answer their enquiries.

The study of the didactic materials, both digital (video lessons of the lecturers with graphic animations) and on paper support (lecture notes and/or texts), is conducted according to the time schedules and personal availability of the student.

Students may avail of video lessons for the study of theoretical knowledge, of bibliographies and sitographies, in addition to notes and documents necessary for the acquisition of practical skills.
